Let's Meet (for FREE):

We'd like to get to know you and your pets so we can best meet the needs of your 'ohana. Please complete the reservation request on our Get Started page. We will give you a call for a free initial consultation.

It's Time to Exercise (Dog Walking):

Whether you're too busy or just unable, we'll take your dog for a walk once or twice a day or we can have a play date at your home (you decide how often). You don't have to worry about a thing. We'll come to your home, take your pets out, and get them back home safely. And, don't worry, we walk your pets by themselves – there won't be any other pets along for the stroll. In addition, a bathing service is available for monthly contract clients.

Rates & Details:

- \$20 per 30 minutes
- Rate includes up to 2 pets, additional pet fee may apply

While You're Away (Home Drop-in Pet Care):

While you're away, let us play ... with your pets. We'll feed them, walk them, scoop their poop, gather their mail (your mail, too!), and water the plants. This is a wonderful service for the working family; or multiple-visits-a-day for the pets that need extra care and the vacationing family. The great part is while you're away your pets can stay in the comfort and familiarity of their own home. We will come to your home and take care of your specific pet care needs. In addition, a bathing service is available for monthly contract clients or clients gone for a minimum of 3 days.
